

Patagonian International Marathon

05 September 2020

Travelling Fit will be taking their 4th "Run the World" tour to Torres del Paine National Park in Patagonia, Chile for the 2020 Patagonian International Marathon. The event also features a Half Marathon and a 10km event. This is your perfect opportunity to explore Santiago and the natural beauty that is the Torres del Paine National Park.

Torres del Paine National Park, in Chile's Patagonia region, is known for its soaring mountains, bright blue icebergs that cleave from glaciers and golden pampas (grasslands) that shelter rare wildlife such as llama-like guanacos. Some of its most iconic sites are the 3 granite towers from which the park takes its name and the horn-shaped peaks called Cuernos del Paine.
