## Oktoberfest Extension Tour

22 September to 24 September 2025

One of Germany's most popular annual events, Oktoberfest is known as the biggest beer festival in the world! A staggering 16-day beer festival in Munich, Germany, the massive spectacle attracts large numbers of visitors from around the world.

### LÖWENBRÄU BEER TENT

The Löwenbräu (or "Lion's Brew") Beer Tent is aptly named due to the landmark 15 foot lion situated above the doorway, which periodically roars and drinks beer. The lion's gigantic roar can be heard all over the Oktoberfest grounds, a major attraction for many visitors. This is the second largest tent at Oktoberfest. It has a wooden arched ceiling and pillars with an amazing 16,500 light bulbs and colourful chandeliers.

Löwenbräu Beer is served at this Oktoberfest tent. The beer that they brew is "Wiesebier" or meadow beer. This has been served at every Oktoberfest festival since 1810. According to reviews "Wiesebier" has a nice crisp taste, delicately bitter, and a fresh hoppy taste with no aftertaste. A favourite beer drink for Oktoberfest beer drinkers, it is considered one of the world's top beers.
